Expert Dental Care Clinic in Prabhadevi, Mumbai

Are you looking for a dental clinic in Prabhadevi where care feels considered, not rushed? At Enamel Dental Specialities, we provide specialist-led care, transparent treatment planning, and a calm, cutting-edge environment that puts you completely at ease. Our philosophy focuses on 'preventive dentistry' by utilising advanced techniques to save your natural teeth whenever possible.

Our team of specialist dentists offers everything from preventive check-ups to complex restorative and cosmetic treatments tailored to meet your unique dental goals. Every treatment is clearly explained, carefully planned, and delivered with your comfort in mind.

Global Expertise, Local Care

Multi-disciplinary specialists with international training (UCLA, France) and 4+ decades of collective experience in cosmetic, restorative, orthodontic, and preventive dentistry.

Appointment-Based Care

Flexible weekday and Saturday scheduling with minimal waiting time to fit your busy life.

Conveniently Located

Just a 2-minute walk from Siddhivinayak Temple and the metro station, offering easy access for local residents, commuters, and families across Dadar and nearby areas.
